Acceptable Use of Technology and Gradebook

This agreement shall remain in effect as long as the student is in the same building or until the parent/guardians note in writing that it is no longer valid.

PARENT/GUARDIAN
As the parent or legal guardian of _____, I have read the Acceptable Use of Computers and Technology Policy as well as the terms and conditions for Gradebook users contained in the Student Handbook. I understand that the use of computers and the internet is a privilege and is intended to be used for educational purposes. I also understand that the Western Wayne School District has taken precautions to filter the internet access to block access to objectionable materials in accordance with Federal Laws. However, I also realize that it may be impossible to block access to all objectionable material and that my child understands that he/she is responsible for using the computers and the internet appropriately for educational purposes in accordance with the policy. By signing below, I give permission for a computer access account to be established for my child to use the school's computers and for my child to use the School District computers and network to access the Internet. By signing below, I also acknowledge that I have read the terms and conditions placed upon Gradebook users and agree to abide by them as well as to keep confidential the information that is associated with this account.

Directory information about students may be released by the district without parent/guardian consent, provided annual notification has been given and the school does not have on file written denial to release directory information. Schools do use discretion when they receive requests for directory information and will not release such information if it is the principal's judgment that releasing such information would not be in the best interest of the student.

Examples of general directory information are:

- participation in officially recognized activities and sports
- field of study
- weight and height of athletes
- enrollment status
- degrees and awards received
- dates of attendance
- most recent previous school attended
- grade level

This information will be made available to qualified agencies upon request. Qualified agencies include, but are not limited to, colleges and universities, scholarship providers, trade/technical schools, potential employers, newspapers web-site.

Parent/guardians have the right to have directory information withheld upon written request. If you prefer to deny release of your student's directory information, please complete the following form on this page and return it to your child's school.
