March 12, 2018

In light of the national movement asking students to walk out of class Wednesday 3/14 at 10:00 AM to support the victims in Parkland, Florida, we are asking that students do not leave their building should they decide to participate. Rather, we are requesting that students peacefully walk to the designated area of their respective building where we will provide a supervised space for them to gather. As a safety precaution, and for the accountability of our students and staff, we do not want anyone to leave the buildings; nor do we recommend the walk out as it may disrupt the school day. However, the following areas will be available as a gathering place in each building:

**High School – Auditorium**

**Middle School – Cafeteria**

**RD Wilson – Cafeteria**

**EverGreen – Cafeteria**

Again, the safety of our students is our top priority. We ask that parents speak to your children about the importance of maintaining a peaceful school environment. Thank you.

Sincerely,

Matthew Barrett  
Superintendent  
Western Wayne School District
