### **PRINCIPALS' MESSAGE**

**It is our pleasure to welcome you to our elementary schools.** The teachers and staff join us in saying we are happy to have you as part of the Western Wayne Elementary family. We hope this will be a successful and satisfying year for you. This handbook is intended for use by all those concerned with the well-being of the elementary aged child. It attempts to answer basic questions that often arise during the school year that relate to standard school policies and procedures. Please go through the entire handbook with your child. Feel free to ask your teacher or guidance counselor for additional information on or an explanation of the material in this book. Close cooperation between the home and school is essential to promote the best interests of the child. Parents are encouraged to visit school and to attend scheduled meetings of parents and teachers. Mutual benefits accrue when there is a meaningful exchange of the material in this book. It is our hope that this handbook will be helpful to you and promote understanding.

### **MISSION STATEMENT**

The mission of the Western Wayne School District is to educate and prepare each student in alliance with family and community, to be a confident, life-long learner, to strive for personal excellence, and to be a responsible citizen of a global society.

### **CURRICULUM**

The curriculum of the Western Wayne Elementary Schools is designed to offer a wide variety of experiences to your child. Included in these experiences are the fundamental processes needed by all children to promote their development in terms of their own potentialities and to provide the resources that will enable them to prepare for a future. It is for this reason that the curriculum of the elementary schools requires constant revision, change and improvement. Feel free to contact the office regarding curriculum.

**It is essential that your child read or be read to 15-30 minutes each evening, Pre-K to 5.**

### **REPORT CARDS**

Report cards will be sent out every forty-five school days in grades first through fifth. Prekindergarten and kindergarten report cards will be provided at the completion of each semester.

### **HOMEWORK**

Nightly homework assignments are left to the discretion of individual teachers. The majority of our staff does not give weekend assignments. No homework is ever given over a holiday. If your child is unable to attend school due to an illness and you would like to pick up his/her work or have it sent home with a sibling, please call early in the morning so the teacher has ample time to gather everything needed. **All students, Pre-K-5, are required to read or be read to 15-30 minutes each evening.**

### **ELEMENTARY COUNSELING PROGRAM**

School counseling services are a part of the educational program of the school. The purpose of school counseling is to help children achieve in school and in life. The elementary counseling program at the elementary schools is designed to help children as they grow and develop. Students may receive counseling services through direct counselor contact or indirectly, through parents, guardians, or faculty referral. For further information about counseling services, please contact your child's school.

### **STUDENT PROMOTION AND RETENTION**

The Superintendent of Schools has developed procedures for promotion and retention of students which:

- Require the recommendation of the classroom teacher for promotion or retention.
- Require that parents are informed in advance of the possibility of retention of a student at grade level.
- Assure that every effort will be made to remediate the student's difficulties before he/she is retained.
- Assign to the Child Study/Rtl Team and Principal the final responsibility for determining the promotion or retention of each student.

## **TITLE I**

Title I of the Elementary and Secondary Education Act is a federally funded program to provide extra help to students who need additional instruction in reading. Our Title I program at EverGreen and Robert D. Wilson Elementary Schools relies on parental involvement to cooperatively develop effective programs for improvement in reading. Children are selected for the program in several ways. These include teacher and parent recommendation; evaluation by reading specialists, testing and school records. If you have any further questions, contact the building principal or Title I Coordinator at 800-321-9973.

## **FAMILY EDUCATION RIGHTS AND PRIVACY ACT**

The Family Education Rights and Privacy Act (FERPA) grants parents and students who are over eighteen years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the date the District receives a request for access.

Parents or eligible students should submit to the school principal, or other appropriate school official, a written request that identifies the records they wish to inspect. The principal will make arrangements for access and notify the parent or eligible students of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading.

Parents or eligible students may ask the school district to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding their request for the amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel, a person serving on the school board), a person or company with whom the District has contracted to perform a specific task (such as an attorney, auditor, medical consultant, or therapist), or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her task. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.
4. The right to file a complaint with the United States Department of Education concerning alleged failures by the District to comply with the requirement of FERPA. The address of the office that administers FERPA is:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue  
SW Washington DC 20202-4605

## **NOTICE TO PARENTS OF CHILDREN WHO RESIDE IN WESTERN WAYNE SCHOOL DISTRICT ACT 504**

In compliance with state and federal law, notice is hereby given by the school district that ongoing identification activities are conducted as a part of school programs for the purpose of identifying students who may be in need of special education and related services (eligible students). If your child is identified by the above listed district as possibly in need of such services, you will be notified of applicable procedures. Individualized services and programs are available for children who are determined to need specially designed instruction due to the following conditions:

1. Autism/pervasive development disorder

You may request screening and evaluation at any time, whether or not your child is enrolled in the District's public school program. Requests for evaluation and screening are to be made in writing to Western Wayne School District's Director of Special Education.

In compliance with state and federal law, the school district will provide to each protected handicapped student without discrimination or cost to the student or family, those related aids, services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the student's abilities. Issues to be reviewed at the school/family conference include the appropriateness of the child’s educational environment, current academic difficulties, physical or behavioral health issues, and family/environment concerns. At the end of the conference all parties should sign a comprehensive Truancy Elimination Plan (TEP) that is agreed to by the school representative, the child, and the parents and/or family. The plan could include accessing academic and social/health supports from the school and community organizations, an outline of family/parent and student responsibilities, and levels of performance monitoring that include rewards and consequences. After agreeing to a TEP, or if there is not agreement on a TEP, and three (3) days have passed since the parent/caregiver received the official notice of the child’s third unlawful absence, if a child is unlawfully absent, at any point within the school year, an official notice of unlawful absence will be sent home. The purpose of this correspondence is to inform the child’s parent/caregiver that the child has violated the TEP or, if there is not a TEP, to inform the child’s parents/caregiver that the child has again violated the compulsory requirements, and advise the parent/caregiver that a citation will immediately be sent to the magisterial district judge. To ensure the parent/caregiver receives the notice, it is recommended that the notice be sent through certified mail. After this step, the school is not obligated to inform parents in writing of absences, but it is recommended that the school call the parent/caregiver to inform them of additional truant behavior. Schools should refer all future incidents of truancy directly to the magisterial district judge having jurisdiction in the region (PDE, February 2015, pgs. 24-25).

The referral to the county children and youth agency may be in addition to proceeding against the parent/caregiver by sending the citation to the appropriate magisterial district judge or a school may decide to refer a family to the local county children and youth agency instead of sending a citation to the appropriate magisterial district judge. If the parent/caregiver provides written consent, a copy of the TEP should be forwarded to the county children and youth agency (PDE, February 2015, p.25).

## **CONTINUED TRUANCY REGARDING UNLAWFUL ABSENCES**

If a child of any age continues to be truant after the above actions have been taken, then school districts are encouraged to file citations with the local magisterial district judge citing the child's continued truancy on a weekly basis. It is imperative that the local magisterial district judge be kept informed if truant behavior continues after a plan is in place (PDE, February 2015, p.25).

Services include annual screenings in weight, height and vision. The children's hearing will be checked in grades kindergarten through third, with dental screenings completed in first and third grades. A physical exam is required upon entry into kindergarten, but may be completed in pre-kindergarten by your private physician. School physicals are available at no cost to you.

First Aid treatment is provided in case of injury at school. However, we do not provide over-the-counter medication such as Tylenol. In case of an emergency situation, the school nurse or administrator follows the information on the student's emergency card. An emergency card is kept on file for every child in the building. It is essential that it be up-to-date to ensure our ability to contact you or your designee in the event your child becomes sick or injured. **Please contact the office if any of the phone numbers or contacts on this card change during the year.**

We prefer that you administer any medication your child might need. If this is impossible, the school nurse, the principal or their designee will assist the student in self-administering the medication. All medication given in school must be accompanied by the prescription container, along with a completed medical form signed by the attending physician (available in school nurse's office).

**NO MEDICATIONS ARE TO BE TRANSPORTED ON DISTRICT BUSES, WAGONS OR VANS! Students requiring use of an inhaler or EpiPen may carry this medication provided a physician's order is on file with the school nurse.**

## **DELEGATION of RESPONSIBILITY**

The district shall make every effort to ensure that this resource is used responsibly by students and staff. Administrators, teachers, and staff have a professional responsibility to work together to help students develop the intellectual skills necessary to discriminate among information sources, to identify information appropriate to their age and developmental levels, and to evaluate and use the information to meet their educational goals. Students and staff have the responsibility to respect and protect the rights of every other user in the district and on the Internet. The building administrator shall have the authority to determine what inappropriate use is. The superintendent or designee shall be responsible for implementing technology and procedures to determine whether the district's computers are being used for purposes prohibited by law or for accessing sexually explicit materials. The procedure shall include, but not be limited to:

- Monitoring online activities of minors.

## **GUIDELINES**

- Users are not to use a computer that has been logged in under another student's or employee's name.

The network user shall be responsible for damages to the equipment, systems, and software resulting from deliberate or willful acts. Illegal use of the network; intentional deletion or damage to files of data belonging to others; copyright violations; and theft of services will be reported to the appropriate legal authorities for possible prosecution. General rules for behavior and communications apply when using the Internet, in addition to the stipulations of this policy. Loss of access and other disciplinary actions shall be consequences for inappropriate use. Vandalism will result in cancellation of access privileges. Vandalism is defined as any malicious attempt to harm or destroy data of another user, Internet, or other networks; this includes, but is not limited to, uploading or creating computer viruses.

## **GENERAL OPERATING PROCEDURES**

### **VISITING THE SCHOOL**

Upon entering one of our school buildings, you must register in the office and wear a visitor's button during your stay.

## **VOLUNTEER PROGRAM**

Today's schools embrace a most precious and valuable resource, our students. Preparing them for their future is a complex and sometimes overwhelming task. The magnitude of our students' needs differ from a generation ago and has necessitated a change in the relationship between the school and the community. With your help and the collaboration of our efforts, we can enhance the lives of our students, while providing a richer educational experience. This approach will provide a mutually rewarding experience for everyone concerned.

The invaluable gift of time offered by those of you willing and able to share it, is welcomed, appreciated, and needed in our schools. The presence of community volunteers has a positive, fundamental impact on the welfare of our students. A volunteer sometimes provides an individualized service for a student by being there to listen to him/her read, or enlightens a large group with experiences in a tradition different from

his/her own. The lesson that is never lost on anyone is the modeling of true generosity through the gift of oneself. A wide range of volunteer activities have been identified, with new areas of interest coming to our attention regularly. The support and guidance of the school community will be appropriate and continuous. It is our ultimate hope that through the volunteer program there will be a concerted effort to make education more effective and ensure the bright future our students deserve. Please contact building administration for details regarding volunteer opportunities and security clearances.

### **CUSTODY**

It is essential that the school be aware of custody arrangements and changes in custody. In order to best serve all concerned parties, please provide a current copy of any custody papers.

### **STUDENT DRESS**

Student dress is the responsibility of students and their parents except in those few cases where a student's clothing or appearance is judged by the principal to be a distraction to the educational process or a safety or health hazard to the student or to others. Student clothing is to be properly fitted, clean and in good repair. The school believes that there is a direct relationship between a student's dress and grooming habits and behavior in school. Footwear is required at all times; going barefoot is prohibited as a health hazard. Parents will be called for notification of improper student dress and may be asked to provide appropriate attire.

### **OPEN HOUSE AND PARENT/TEACHER CONFERENCES**

During the month of September each building will sponsor an open house. This is a time for parents and teachers to meet in a large group and discuss the year's expectations.

Parent/teacher conferences are scheduled during the year. As a legal guardian you may request a conference whenever you feel there is a need. Please allow the teacher a reasonable amount of time to make the necessary arrangements.

### **EMERGENCY SCHOOL CLOSINGS**

If and when it becomes necessary to close school due to an emergency, such as inclement weather, local radio and television stations will broadcast all pertinent information. District notification systems will be employed. It is imperative to provide, and maintain, current and accurate parent contact information to your child's school.

### **FAMILIES MOVING OUT OF THE DISTRICT**

In order for you to enroll your child in another school district, you must first obtain a transfer card as well as an immunization card from the building office. Scholastic and health records will be mailed directly to the new school.

### **ADDRESS CHANGE**

Change of address, telephone number or name **must** be reported to the secretary in the office.

### **INTRAMURALS**

These activities will be scheduled throughout the school year and begin following building dismissal. Building Principals will send home to parents special bulletins listing activities, dates, times and places. Boys and girls are encouraged to participate in all programs. Additional programs will be offered in areas of student interest as recommended by Building Principals and District Athletic Director.

**LOST AND FOUND**

A container for "lost and found" articles is located in the administrative office area. Children should be encouraged to check for missing items. It is helpful if coats, hats, boots and other items of clothing are labeled with your child's name. Proper identification should also be placed in book and lunch bags.

**PTA**

PTA is always looking for new members to assist in making our school extra special. Parent school organizations have open membership for all interested parents. Bulletins are sent home with the students announcing meetings and program activities.

**RECESS PARTICIPATION**

Recess periods provide time for students to exercise, socialize and relax from the ordinary classroom routine. Most recesses are outside, and students are required to be outside during these times unless unable to do so because of illness. Any student who is ill, able to attend school, but unable to participate in the outside recess, must have a note from home requesting that he/she is to be allowed to remain indoors during recess. A doctor's note may be required if the request is for a period of time over three days. Students should dress according to weather conditions.

**TOYS/EQUIPMENT**

Children are not allowed any type of toys, equipment or multi-media devices which include cell phones, MP3 players and hand held gaming systems in school. Toys and equipment are provided by the school district for children's use. A warning will be issued for a first violation. Subsequent violations will result in items being held by Building Principal for parent retrieval.

**SCHOOL INSURANCE**

Insurance may be purchased at a reasonable rate and is available on a school day basis or a twenty-four hour coverage.

**SCHOOL MATERIALS CARE**

Textbooks, library books and other school materials used by students should be treated with care and respect. Students are responsible for books or materials which are damaged or lost while in their care and assessment will be made to cover the cost of repair or replacement.

**STUDENT PICTURES**

A professional photography company comes into the school once a year to take the children's pictures. Please do not feel obligated to purchase any of these photos. The companies require payment prior to pictures being taken. Even if you choose not to purchase any pictures, your child's picture will be taken for school records.

**ATTENDANCE POLICY**

This policy was created collaboratively to assist the EverGreen and Robert D. Wilson Elementary students in improving attendance. In an effort to encourage attendance and to enhance academic performance, it is important to send your child to school daily. It has been researched that those that miss frequently in elementary school have a higher drop-out rate in high school, thereby, limiting the child's true potential (<http://www.nea.org/home/13579.htm> or <http://www.attendanceworks.org/wordpress/wp-content/uploads/2013/05/Early-Intervention-NDPC-SD-webinar-FINAL-5-24-13.pdf>).

Please sign and return this page. By signing this document, you acknowledge that you have read and understand the Attendance Policy. If you have any questions please feel free to contact the Principal, Counselors, or Social Worker at 1-800-321-9973.
