December 11, 2020

Dear Western Wayne Families,

On Wednesday, December 9th, the Board of Education passed a motion to continue with in-person instruction through the week of December 14th to December 18th. However, the District will shift to a fully virtual instructional mode on Monday, December 21st through Wednesday, December 23rd. As a reminder, December 23rd is a 12:00 PM dismissal for the holiday. No students will report to school on these three days; however, all students will participate virtually in live, synchronous learning and follow their regularly scheduled classes via Google Classroom. Any student participating in the asynchronous Virtual Learning Academy will remain in that mode. Currently, we are scheduled to resume in-person instruction on Monday, January 4th. The District will continue to monitor the situation and update families as soon as possible should anything change.

Starting on Monday, December 14th, families with students currently attending school in-person but wish to switch to the virtual, Google Classroom mode may do so at this time. Please contact your building principal or guidance counselor to inform them of your child's/children's change in status.

Thank you for your continued understanding and flexibility, and please stay healthy and safe.

Sincerely,

Matthew Barrett, Ed.D
Superintendent
