Dear Western Wayne Families,

On Wednesday, January 6th, the Board of Education passed a motion for students to return to in-person instruction during the week of January 11th to January 15th. Students participating via Google Classroom prior to the shift to all virtual learning will remain in that setting. Any student participating in the asynchronous Virtual Learning Academy will also remain in that mode. Families with students who were previously attending school in-person but wish to switch to the virtual, Google Classroom mode may do so at this time. Please contact your building principal or guidance counselor to inform them of your child's/children's change in status.

The School Board and Administration will continue to review data regularly and determine the instructional mode on a weekly basis until further notice. The next Board Meeting is scheduled for January 13th at which the instructional mode for the week of January 19th to January 22nd will be determined.

Thank you for your continued understanding and flexibility, and please stay healthy and safe.

Sincerely,

Matthew Barrett, Ed. D.
Superintendent
