MINUTES
WORKPLACE SAFETY COMMITTEE MEETING
Wednesday, August 25, 2021

The regular monthly meeting of the Workplace Safety Committee was held on Wednesday, August 25, 2021 as part of the District-wide In-service program.

All eleven members of the Committee were present.

No formal meeting was held but Committee members did speak to each other throughout the day. No issues were reported.

An email was sent out to the School District employees from the Committee reminding everyone how to report an unsafe item/condition in their building or classroom. The email also reminded everyone of frequent recurring incidents such as slips/trips/falls, strains, and struck by incidents. The Committee wished everyone a safe and healthy school year. Another email will follow listing each building representative of the Committee.

The Committee will meet as usual in September to tour one of the buildings. Members will be contacted with the date and time.

Susan Romanski, Secretary
