August 27, 2021

Good afternoon,

Today, the CDC Level of Community Transmission rate for Wayne County is in the “High” range for the second consecutive week. In accordance with the Western Wayne Health and Safety Plan – Tiered Mitigation Measures, all students and staff will be **required** to wear masks **indoors** for a period of two weeks effective Monday, August 30th. As a reminder, masks for outdoor activities remain optional. Students will also be provided masks breaks when appropriate throughout the school day. We will continue to monitor the data and inform you of any changes to our plan as soon as possible. Thank you and have a nice weekend.

Sincerely,

Matthew Barrett, Ed.D.
Superintendent
