

Dear Parents/Guardians,

The Administration was notified today that there are **three** confirmed case of COVID-19 Western Wayne High School. The District has conducted contact tracing and there is **one** close contact. The individuals have self-quarantined and will remain in isolation per Pennsylvania Department of Health guidelines. We will continue to keep the school community informed and maintain communication of COVID-19 related information.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew Barrett".
