

Dear Parents/Guardians,

The Administration was notified today that there is **one** confirmed case of COVID-19 **at the High School**. The District has conducted contact tracing and there are **two** close contacts. The individuals have self-quarantined and will remain in isolation per Pennsylvania Department of Health guidelines. We were also notified that were additional cases from Monday, December 6th (**one at the High School and two at RDW Elementary with three contacts**). We will continue to keep the school community informed and maintain communication of COVID-19 related information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matthew Barrett', written in a cursive style.
