

Dear Parents/Guardians,

The Administration was notified that there are **four** confirmed cases of COVID-19 (**one at the High School and three at the Middle School**). The District has conducted contact tracing and there are **six** close contacts. The individuals have self-quarantined and will remain in isolation per Pennsylvania Department of Health guidelines. We will continue to keep the school community informed and maintain communication of COVID-19 related information.

Sincerely,
