December 16, 2021

Good Evening Western Wayne Families,

The administration has been made aware of posts circulating nationwide on social media, primarily Tik Tok, that mention vague and generalized concerns of school violence on December 17th. Western Wayne is not referenced in anyway, and we have not received any information pertaining to potential occurrences at our schools. As always, we encourage students and staff to continue to be vigilant and report any potential concerns. We will continue to take the necessary precautions to ensure the safety of our students and staff. Please also speak with your children tonight about appropriate social media awareness and contact us with any questions or concerns.

Sincerely,

Matthew Barrett, Ed.D.
Superintendent
