

Dear Parents/Guardians,

The Administration was notified that there are **two** confirmed cases of COVID-19 (**1 at EverGreen and 1 at RDW Elementary**). The District has conducted contact tracing and there are **twenty-one** close contacts. The individuals have self-quarantined and will remain in isolation per Pennsylvania Department of Health guidelines. We will continue to keep the school community informed and maintain communication of COVID-19 related information.

Additionally, according to the new CDC Level of Transmission metric Wayne County is now in the Medium status. The following recommendations are from the CDC website:

In **Wayne County, Pennsylvania**, community level is **Medium**.

- If you are [at high risk for severe illness](#), talk to your healthcare provider about whether you need to wear a mask and take other precautions
- Stay [up to date](#) with COVID-19 vaccines
- [Get tested](#) if you have symptoms

People may choose to mask at any time. People with symptoms, a positive test, or exposure to someone with COVID-19 should wear a mask.

If you are immunocompromised, learn more about [how to protect yourself](#).
