FBLA Advisor, Theresa Lubash was named Outstanding Adviser on a State level, congratulations to her also.

Mr. Hoch congratulated and thanked Luke Urian and all the other students recognized this evening.

9. Public Recognition

Bernice Fiorella stated that over this year the Board has had the opportunity to cut our taxes and decrease this budget. She also stated the Board could have saved more with less mask mandates. Mr. Hoch is satisfied with 2.49%, wants to offer all students everything they need with varied curriculum as we have large fixed costs. Faye White stated that many senior citizens cannot afford the taxes. She is fortunate to have been a teacher here at Western Wayne and is fine, but she knows many who are not able to pay. Can there be a tax break for senior citizens? Collette Stanley of Lake Township owns a large amount of land and stated the taxes are sucking many dry, not her, but others. Jeanette Swingle stated she is on a fixed income and although she wants her grandchildren to have everything, the taxes are crazy. She would like the Board to look at cuts like everyone else has to do. Susan Van Leuven stated she is living on her great grandparent's land and the family does not have the money to pay the taxes. We should stop spending on football stadiums and teach the students how to budget and write checks. Linda Herrmann stated she is also a senior citizen. We wasted money on a football stadium, and we cannot keep taking money from those who do not have it. Her research shows that Wayne County resident's average income is around \$24,132. Mr. Hoch stated that we do not have frivolous spending and the Board looks at everything. Dr. Barrett stated that the Board Members are all volunteers, we have taxed under the allotted index for at least the last five years, and we all realize that people struggle, but the State does not always hold up their portion of our expenses - should be 50% but is closer to 30%. We always look at the needs of the students and the school. Mr. Enslin said that he feels everyone's pain and tonight we are approving the use of EverGreen School for the County Commissioners to hold a town meeting. Anyone interested should come to EverGreen Elementary on May 10th for the town meeting with the County Commissioners to voice concerns on assessments and taxes. Mr. Hoch mentioned the reassessment process. Mr. Gershey stated that everyone has valid concerns and told everyone to contact their State legislators about fair funding too. Victoria Palazzo spoke next about mask mandates, her

children going to cyber charter school and that the Board does not listen to parents. Samantha Duval – 8th Grade student, stated she is an honor student who now goes to cyber school for a better education and to avoid bullying. Mr. Hoch thanked Samantha for sharing her story.
