

**MATTHEW BARRETT, Ed.D.**  
Superintendent of Schools

**CYNTHIA A. LAROSA, Ph.D.**  
Assistant Superintendent

**ROSE E. EMMETT**  
Business Manager / Board Secretary

Good afternoon,

The District is aware of concerns and potential misinformation regarding CAT Pack games. To clarify, Western Wayne School District is excited that our student-athletes will once again participate in Special Olympics at Delaware Valley; an opportunity that has not happened since COVID.

We acknowledge the excitement around CAT Pack games, and to increase opportunities for peer engagement, the district plans to incorporate CAT Pack activities into building-level events, such as monthly PBIS, spirit games, and field day. Funds acquired through a local grant will be used to create a memorable experience for those students who may not meet Special Olympic criteria.

Additionally, the district continues to collaborate with Special Olympics to offer extracurricular activities, such as unified track and field and more recently, bocce ball.

We will continue to celebrate all students in district activities throughout the year. Please contact the District Office with any questions. 1-800-321-9973 Option 5.

### **BOARD OF EDUCATION**
