ACADEMIC POLICY, PROCEDURES AND RESOURCES PRINCIPALS' MESSAGE

It is our pleasure to welcome you to our elementary schools. The teachers and staff join us in saying we are happy to have you as part of the Western Wayne Elementary family. We hope this will be a successful and satisfying year for you. This handbook is intended for use by all those concerned with the well-being of the elementary aged child. It attempts to answer basic questions that often arise during the school year that relate to standard school policies and procedures. Please go through the entire handbook with your child. Feel free to ask your teacher or guidance counselor for additional information on or an explanation of the material in this book. Close cooperation between the home and school is essential to promote the best interests of the child. Parents are encouraged to visit school and to attend scheduled meetings of parents and teachers. Mutual benefits accrue when there is a meaningful exchange of the material in this book. It is our hope that this handbook will be helpful to you and promote understanding.

STUDENT CONDUCT: PRIDE

The elementary school years are formative in nature and all experiences should be considered in that perspective. PRIDE is a proactive approach to teaching behavioral expectations. It is based on a model which teaches school appropriate behaviors, reinforces and recognizes students who can model these behaviors, and has systems in place to support students who have a difficult time or may present with more challenging behaviors. It is our expectation that students conduct themselves in a manner that is conducive to learning.

Prepared: Students demonstrate a readiness to participate in their learning.

Respect: Students demonstrate honor for self, peers and to school.

Integrity: Students demonstrate honesty and reliability in their actions.

Dedicated: Students demonstrate commitment to learning and a kind learning environment.

Extraordinary: Students demonstrate the above strengths during times of learning, fun and emergency.

DISCIPLINE

If a student chooses to break a rule, incremental consequences will be enforced. In an effort to correct minor misbehaviors, consequences will be dealt with in the Social Skills Room. The purpose of the Social Skills Room is to practice, model and discuss appropriate behavior. Reprimands may include the withholding of recess and/or privileges. Major violations of conduct warrant intervention by administration. Reprimands may include loss of privileges, including but not limited to those events planned to reward students' appropriate school behavior.

Students exhibiting frequent behavior problems will be dealt with on an individual basis by the appropriate teacher, school counselor and building principal. Parents will be notified in writing and may be requested to attend a conference to develop a behavior management plan for the student. Reprimands may include the withholding of recess and/or privileges.

SEARCHES

School officials generally have the authority to lawfully search students or their belongings, including lockers, electronic devices, purses, backpacks, clothing, and other possessions, without a warrant, when in school, on school grounds or when otherwise under school supervision, if there is a reasonable suspicion that the place or thing to be searched contains prohibited contraband, material that would pose a threat to the health, safety and welfare of the school population, or evidence that there has been a violation of the law, board policy, or school rules. The scope and extent of searches must be reasonable in relation to the nature of the suspected evidence, contraband, or dangerous material and to the grounds for suspecting that it may be found in the place or thing being searched.

DETENTION

Fourth and fifth grade students who do not obey building rules may be assigned before or after-school detention as recommended by teacher(s) and assigned by the building principal.

ABUSE OF SCHOOL PROPERTY

Anyone apprehended willfully causing damage to school or school related property will be subject to disciplinary action, which may include restitution.

TERRORISTIC THREAT

BULLYING/CYBER-BULLYING

The Board is committed to providing a safe, positive learning environment for district students. The Board recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning, and may lead to more serious violence. Therefore, the Board prohibits bullying by district students. Bullying can occur inside and/outside a school setting.

- A student’s tray is to never be taken away from them after being served due to the student’s inability to pay for the meal or the amount owed.
- A student may only purchase a la carte if they have money available. A student will be informed that they have no money for a la carte. No a la carte sales will be allowed if there is a negative balance.
- We accept checks and cash in an envelope marked with your child’s name, homeroom, and ID number. If you prefer, you have the option to make online payments through the website www.myschoolaccount.com. Please note a transaction fee will be charged by the company.
- Communications must be directed to the parent or guardian, NOT the students regarding negative accounts.
- If a child’s account falls into the negative, a balance notification alert via email, text or phone call will be sent directly to the parent through our blackboard connect system.
- When a student reaches five unpaid meals, the school must make at least two attempts to reach the parent/guardian.
- For those families with a negative balance, emails will be sent every day until a payment is made.
- A letter will be sent to the household if no payment is made towards the negative account by the Food Service Director.
- If there is a non-response to the Food Service Director, The Business Manager will be informed, and additional collection measures will be pursued.
- All debts must be paid off at the end of the school year.

Insufficient Funds Fee: There is a \$20.00 charge for checks returned for insufficient funds.

The children's hearing will be checked in grades kindergarten through third, with dental screenings completed in first and third grades. A physical exam is required during kindergarten year but may be completed in pre-kindergarten by your private physician. School physicals are available at no cost to you.

First Aid treatment is provided in case of injury at school. However, we do not provide over-the-counter medication such as Tylenol. In case of an emergency, the school nurse or administrator follows the information in Gradebook. It is essential that the parent portal be up to date to ensure our ability to contact you or your designee in the event your child becomes sick or injured. **Please contact the office if you require assistance in updating information.**

We prefer that you administer any medication your child might need. If this is impossible, the school nurse, the principal or their designee will assist the student in self-administering the medication. All medication given in school must be accompanied by the prescription container, along with a completed medical form signed by the attending physician (available in school nurse's office or on Western Wayne website). **NO MEDICATIONS ARE TO BE TRANSPORTED ON DISTRICT BUSES OR VANS! Students requiring use of an inhaler or EpiPen may carry this medication providing a physician's order is on file with the school nurse.**

Students suspected or diagnosed with a communicable disease will be excluded from school pursuant to the Pennsylvania State Department of health recommendation.

Students are to brush their teeth at home. If a dentist deems it necessary for a student to brush at school, a written request is required from the orthodontist/dentist.

HOMEBOUND INSTRUCTION

Students who have been certified by a physician as being unable to attend school for at least two weeks are eligible for homebound instruction. Requests by parents for this service should be directed to the building principal. It is mandatory that re-certification is provided by the student's physician in the event homebound services are requested for a period to exceed sixty (60) days.

GENERAL OPERATING PROCEDURES

POLICY ADOPTION and NOTIFICATION

During the academic year, Western Wayne School Board Policy is reviewed, adjusted, and adopted in accordance with guidance from the Pennsylvania Department of Education and various State and Federal Agencies. Changes impacting the governance of District schools will be shared with parents via written or electronic communication from the building principal.

VISITING THE SCHOOL

Upon entering one of our school buildings, you must register in the office. Visitors will have to supply a valid driver's license and wear a visitor's badge generated for a one-time stay.

VOLUNTEER PROGRAM

Today's schools embrace a most precious and valuable resource, our students. Preparing them for their future is a complex and sometimes overwhelming task. The magnitude of our students' needs differs from a generation ago and has necessitated a change in the relationship between the school and the community. With your help and the collaboration of our efforts, we can enhance the lives of our students, while providing a richer educational experience. This approach will provide a mutually rewarding experience for everyone concerned.

The invaluable gift of time offered by those of you willing and able to share it, is welcomed, appreciated, and needed in our schools. The presence of community volunteers has a positive, fundamental impact on the welfare of our students. A volunteer sometimes provides an individualized service for a student by being there to listen to him/her read or enlightens a large group with experiences in a tradition different from his/her own. The lesson that is never lost on anyone is the modeling of true generosity through the gift of oneself. A wide range of volunteer activities have been identified, with new areas of interest coming to our attention regularly. The support and guidance of the school community will be appropriate and continuous. It is our ultimate hope that through the volunteer program there will be a concerted effort to make education more effective and ensure the bright future our students deserve. Please contact building administration for details regarding volunteer opportunities and security clearances.

CUSTODY

It is essential that the school be aware of custody arrangements and changes in custody. In order to best serve all concerned parties, please provide a current copy of any custody papers.

STUDENT DRESS

Student dress is the responsibility of students and their parents except in those few cases where a student's clothing or appearance is judged by the principal to be a distraction to the educational process or a safety or health hazard to the student or to others. Student clothing is to be properly fitted, clean and in good repair. The school believes that there is a direct relationship between a student's dress and grooming habits and behavior in school. Footwear is always required; going barefoot is prohibited as a health hazard. Parents will be called for notification of improper student dress and may be asked to provide appropriate attire.

Items not permitted:

- Pajamas and slippers
- Torn/ripped (whether intentional or not) or slashed jeans
- Tank tops, muscle shirts, spaghetti straps, tube tops, or halter tops
- Half shirts or cutoff shirts, clothing must not expose the midriff, navel or cleavage
- Flip flops or beach thongs, slide sandals
- Clothing depicting drug, alcohol, or tobacco messages
- Clothing with violent messages or insignia related to gangs, racist, or hate groups
- No hats, caps, bandanas, or head covering work in the building

Permitted Items:

- Tee shirts, sweatshirts, polo shirts, turtlenecks, sweater, jerseys
- Shorts, dresses, and skirts with a length equal to fingertips, while arms are resting at side
- Pants, skirts, and jeans must be secured at the waist
- Clothing should be made of material that is not sheer or see through (No undergarments should be visible)
- Head covering specific to religious purpose

OPEN HOUSE AND PARENT/TEACHER CONFERENCES

During the month of September each building will sponsor an open house. This is a time for parents and teachers to meet in a large group and discuss the year's expectations.

Parent/teacher conferences are scheduled during the year. As a legal guardian you may request a conference whenever you feel there is a need. Please allow the teacher a reasonable amount of time to make the necessary arrangements.

EMERGENCY SCHOOL CLOSINGS

When it becomes necessary to close school due to an emergency, such as inclement weather, local radio and television stations will broadcast all pertinent information. District notification systems will be employed. These systems use data from Gradebook. It is imperative to provide, and maintain, current and accurate parent contact information to your child's school.

FAMILIES MOVING OUT OF THE DISTRICT

In order for you to enroll your child in another school district, you must first obtain a transfer card as well as an immunization card from the building office. Scholastic and health records will be mailed directly to the new school.

ADDRESS CHANGE

Change of address, telephone number or name **must** be reported to the secretary in the office.

INTRAMURALS

These activities will be scheduled throughout the school year and begin following building dismissal. Building principals will send home to parents special bulletins listing activities, dates, times, and places. Boys and girls are encouraged to participate in all programs. Additional programs will be offered in areas of student interest as recommended by building principals and district athletic director.

LOST AND FOUND

A container for "lost and found" articles is in the administrative office area. Children should be encouraged to check for missing items. It is helpful if coats, hats, boots, and other items of clothing are labeled with your child's name. Proper identification should also be placed in book and lunch bags.

PTA

PTA is always looking for new members to assist in making our school extra special. Parent school organizations have open membership for all interested parents. Bulletins are sent home with the students announcing meetings and program activities.

RECESS PARTICIPATION

Recess periods provide time for students to exercise, socialize and relax from the ordinary classroom routine. Most recesses are outside, and students are required to be outside during these times unless unable to do so because of illness. Any student able to attend school but unable to participate in outside recess due to illness must have a note from home requesting that he/she is to be allowed to remain indoors during recess. A doctor's note may be required if the request is for a period over three days. Students should dress according to weather conditions.

TOYS/EQUIPMENT

Children are not allowed any types of toys, equipment or multi-media devices which include cell phones and handheld gaming systems in school. Toys and equipment are provided by the school district for children's use. A warning will be issued for a first violation. Subsequent violations will result in items being held by building principal for parent retrieval.

SCHOOL INSURANCE

Insurance may be purchased at a reasonable rate and is available on a school day basis or a twenty-four-hour coverage.

SCHOOL MATERIALS CARE

Textbooks, library books and other school materials used by students should be treated with care and respect. Students are responsible for books or materials which are damaged or lost while in their care and assessment will be made to cover the cost of repair or replacement.

STUDENT PICTURES

A professional photography company comes into the school once a year to take the children's pictures. Please do not feel obligated to purchase any of these photos. The companies require payment prior to pictures being taken. Even if you choose not to purchase any pictures, your child's picture will be taken for school records.

BIRTHDAY CELEBRATIONS/INVITATIONS

Birthdays are deserving of special attention. To honor a birthday a student may provide a special treat to classmates. Food items must be sent in their original packaging. Homemade items are not permissible due to allergy concerns. Students may distribute birthday invitations to classmates, provided either all students are invited or all girls or all boys are invited.

TEXTBOOKS/SCHOOL MATERIALS

The school provides books to all students. It is our hope that this major investment will be properly safeguarded. Reasonable depreciation is expected because of daily use. Unreasonable damage to textbooks or other school issued materials will result in a fine. Students will be held financially responsible for lost textbooks or other school issued materials. Value is based on replacement costs. A receipt for payment will be provided. Students in need will receive a second copy.

MEDIA

Students participate in classroom and school sponsored activities during a school year. Certain classes and activities may be photographed, video recorded, and/or audio recorded via electronic, digital, and/or printed media ("Media"), and used in district publications, including but not limited to the district website and social media accounts. The district may also disseminate the Media to the news media, including television, radio, and newspapers, to promote district activities and achievements. Likewise, live images may be relayed via cable or satellite connections to other districts or to other classrooms within our district to allow for live interactions between students and teachers at separate locations. Media may also be used by district personnel to educate others about distance learning at seminars and other public places. Any photographing, video recording, and/or audio recording of students by the district must be approved in advance by the administration, and shall be subject to governing law, including but not limited to any eligible student/parent/guardian opt out pursuant to the Family Educational Rights and Privacy Act.
