

Dear Parents/Guardians,

From yesterday 1/12/22, the Administration was notified that there are **two** confirmed cases of COVID-19 (**one at EverGreen and one at RDW**). The District has conducted contact tracing and there are **two** close contacts. The individuals have self-quarantined and will remain in isolation per Pennsylvania Department of Health guidelines. We will continue to keep the school community informed and maintain communication of COVID-19 related information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matthew Barrett', written in a cursive style.

Matthew Barrett, Ed. D.
Superintendent
