Parents/Guardians,

Starting on Monday, February 26, 2024, students in grades 2nd through 5th will have an opportunity for after-school academic assistance. The program will be available to students on Mondays for math and Wednesdays for reading from 3:00PM-4:00PM at EverGreen. Students will have the chance to receive help with academic skills, homework, and assistance with classroom concepts.

The program will run weekly until May 1, 2024. Parents can register their child through the following link or by sending a note to school. Students can attend one day or both days.

Parents will need to provide transportation.
