Medical Plan of Care for School Food Service

for students with special dietary needs

The following child is a participant in one of the United States Department of Agriculture (USDA) school nutrition programs.

• USDA regulations 7CFR Part 15B require substitutions or modifications in school program meals for children whose disability restricts their diet and is supported by a statement signed by a licensed physician, physician assistant certified.

	oner, or dentist. Food allergies	by a licensed physician, physician assistant, certification that may result in a severe, life-threatening (anaphylac				
 The school <u>may</u> choose to accommodate a student with a non-disabling special dietary need that is supported by a statement signed by a licensed physician, physician assistant, certified registered nurse practitioner, or dentist. The school <u>may</u> choose to make a milk substitution available for students with a non-disabling special dietary need, such as milk intolerance or for cultural or religious beliefs. If available, the milk substitutes must meet nutrient standards identified in federal regulations and will be indicated in Part 2. A milk substitution may be requested by a medical authority or a 						
parent/guardian. If this is the only substitution being requested, complete Parts 1 and 2 only. Part 1: Student Information - To be completed by Parent/Guardian						
Child's Name		Date of Birth	M F			
Name of School/Center/Program		Grade Level/Classroom				
Parent's/Guardian's Name		Address, City, State, Zip Code				
Daytime Phone	()					
Evening Phone	()					
Part 2: Request for Fluid Milk Substitution only (for non-disabled students) - By parent or medical authority						
School/school district does not make milk substitutes available to students with non-disabling special dietary needs. Do not complete Part 2.						
School/school district provides as a milk substitute to students with non-disabling or other special dietary needs when Part 2 is completed by Medical Authority or Parent/Guardian and approved by the school/school district.						
Does the child have a non-disabling medical or special dietary need that restricts intake of fluid milk? Yes No List medical or special dietary need (e.g., lactose intolerance or for cultural or religious beliefs):
