February 3, 2017

Greetings Western Wayne Wildcat Family,

I want to express my sincere gratitude and excitement to be in my new role as Superintendent of the Western Wayne School District, effective February 1st. Also, it is with great pleasure that I introduce Ellen Faliskie as the new Assistant Superintendent and Kristen Donohue as Middle School Principal/Director of Curriculum. Ellen and Kristen have done a tremendous job over the past several years as building principals and we are thrilled that they will continue to have a positive impact on our students, staff, and community. Ellen, Kristen, and I are truly honored to be in our new roles. It is our goal to sustain and grow the rigorous teaching and learning environment that provides every student a sense of belonging, while helping them to grow intellectually, emotionally and socially. We will also continue to maintain and improve our facilities, keep a sound budget, and give back to the community. However, we cannot do this alone. We need all of you to continue to do your very best in all you do. We know we can count on your expertise and support. It is your knowledge, commitment and dedication to our students and school community that make Western Wayne the exceptional district it is today. Please do not hesitate to contact us with any questions or concerns, and we look forward to a prosperous future at Western Wayne. Go Wildcats!!!

Sincerely,

Matthew Barrett, Ed. D.
