## COLLEGE VISITS

Representatives from colleges are coming to Western Wayne High School. They are coming to give you information about their college and what benefits you would receive by attending their college. The sign-up sheets for these assemblies are outside the guidance office. The day of the assembly, you will be asked to pick up a pass from the school counseling office and fill it out. The pass is given to the teacher who you have class with at the same time as the assembly. Ask your teacher nicely if you are able to attend the assembly and show them the pass. If they say you cannot go then you are not allowed to leave the class to attend the assembly. If there are any questions, see Mrs. Field or Ms. Lombardi in the guidance office.

## 2018 Advanced Placement Information

- Start to decide upon your intent in regards to taking the AP exam(s). **If you plan to take an AP exam, please let your AP teacher know no later than March 20<sup>th</sup>, 2018.**
- Read the CollegeBoard publication “**Bulletin for AP Students and Parents.**” Students will be required to sign a statement on their AP Exam answer sheet indicating that they are aware of, and agree to, the policies contained in the Bulletin.
- Each exam costs \$94.00. **If you qualify for free/reduced lunch, the exam cost will be \$53.00.** (You will be notified if this changes).
- **Make checks payable to “Western Wayne.”**
- To simplify the process of collecting the fees, students will bring their check- made payable to “Western Wayne”- to the proctor on the day of the exam. Do NOT give your AP teacher the fees yourself and please do not bring your checks or cash to guidance before the day of the exam.
- **If you order an exam, but do not take it, there is a \$15 fee that you must pay for us to return the unused exam. Make the check payable to “Western Wayne.”**
- Exams will be given in the district office (remember, it is connected to the H.S. by the math hallway). Breakfast will be offered before the exam in the District Office, but you must be ready to take the exam promptly at 8:00a.m.
- You are expected to be in your regularly scheduled classes following the exam. Be sure to sign in with Mrs. Herzog in the main office when you return.
- If you are taking the Physics 1 or 2 or Computer Science Principles exams, you need to make sure you eat 1<sup>st</sup> Lunch! An announcement will be made to teachers to let them know. You need to report to the district office immediately after lunch- the exam starts at noon. For all other subjects, you will attend lunch after the exam.
- Bring your own calculator if needed for your particular exam. If you don’t have a calculator, ask your teacher.
- Exam results will be online (through the Collegeboard website) mid-July. A student who receives a score of 3, 4, or 5 will be reimbursed the cost of the exam.
- There are specific reasons for late testing (using an alternate form of the examination). For example, if you have a school-related event (chorus trip or band trip) scheduled on the date of the AP exam(s); you may take an alternate form of the AP exam at an alternate date and time. See Mrs. Gribble if you need late testing. **There is an additional fee of \$45.00 for late testing.** Therefore, the additional \$45.00 late testing fee along with the \$94.00 exam cost will require students to submit a check totaling \$139.00, made payable to “Western Wayne.”

## Applying for Civil Service Jobs

**The following steps describe the basic process required to apply for civil service employment.**

Review the General Job Opportunities section the PA State Civil Service Commission [www.scsc.state.pa.us](http://www.scsc.state.pa.us) website. This listing is updated daily and lists test announcements of jobs that are open for application and deadline dates for submitting an application.

Complete a civil service application for employment [www.scsc.state.pa.us](http://www.scsc.state.pa.us) for each test announcement for which you are interested. The test announcement may specify what other documents to submit with the application (e.g. college transcripts, application supplements, etc.).

After applying online for some job titles, you will be automatically directed to select a date, time and location to take your civil service test. For other job titles, you will be notified, when you can select a date, time and location for testing. If you complete a paper application, you will be notified by letter of

your scheduled date, time, and location for testing. If the test consists of a rating of your training and experience, your test score will be based on the information you provide on your application and supplement if required.

The Commission will send you the results of your examination or rating. If you meet the minimum requirements and pass the test, your name is placed on the list of eligible candidates (eligible list) for that job title according to your score. Positions in the merit system are filled from this pool of eligible candidates.

When a job vacancy occurs, the hiring agency requests an eligible list from which to interview for that job title. Hiring is normally done from the highest ranking candidates on an eligible list. If you are ranked high enough on the eligible list, you will be contacted to report for a job interview

If you are interviewed and not selected for the position, your name remains on the eligible list to be considered for future vacancies for a specified period of time. Your standing on the eligible list may change as more persons are tested and added, and as appointments are made. If you are selected for the position, the agency will notify you and establish a start date.

# College Applications

**What is early action?** Early action is the early admission program in which applying early will get you an early answer. This program usually asks students to apply by November 1 and the college responds with a decision by mid-December. However, you are not required to make your decision until the regular May reply date, giving you time to compare financial aid packages between colleges. Early action is non-binding, which means you do not have to attend the college if you are accepted. The advantage of the early action program is that you find out whether you are accepted sooner rather than later, giving you time to enjoy the last few months of your senior year without having to worry about being accepted into college.

**What is early decision?** Early decision is similar to early action in that you can apply early (usually by November 1) and get an early answer from your college about acceptance (usually around mid-December). However, with early decision, there is a catch. Early decision plans are binding. This means that if you apply to a college via the early decision process, you must attend that college if accepted and offered an adequate financial aid package. Thus, you can only apply to **one** early decision school. You can, however, apply to other colleges under regular admission. If you are accepted by your early decision college, then you must withdraw all other applications. Keep in mind that early decision may not be your best option if you want to compare financial aid packages between colleges. Early decision colleges usually offer students a better chance of admission if they apply early. When you research schools with the early decision option, check out the acceptance rates for students who apply early decision versus regular admission. The early decision acceptance rates are usually higher.

## Have you heard of 4 or more?

Have you heard about [4 or More™](#)? It is a College Board initiative designed to inspire, assist, and reward you as you encourage all students to apply to at least four colleges.

Over 5,000 of your counseling colleagues nationwide have already joined the movement and are benefiting from the tools and resources they have received.

### Why should students apply to four or more colleges?

Studies show that students who apply to two colleges, rather than just one, are 40 percent more likely to enroll in college, and applying to four colleges increases the likelihood that the college they choose will be a good fit for them — academically, socially, and financially.

- Why should I join the military?
- Is your service branch a good fit for me?
- How long am I required to serve?
- How much pay would I receive?
- What job would I do and where would I serve?
- What are the educational benefits?
- What is boot camp; how long is it; and how do I prepare? Am I qualified to join?

# Western Wayne's Procedures for Submitting College Applications

1. **ALL PAPER APPLICATIONS** must be brought to the Guidance Office **ONE WEEK** before the specific college deadline. The Guidance Department will not guarantee meeting college deadlines for applications that are submitted to the School Counseling Office late. Students applying to a college directly **online** should notify their school counselor.
2. Some college/universities will waive the applications fee if you visit their campus. Other colleges/universities have free online college applications. Students having financial difficulties covering the application fee should see their guidance counselor.
3. **TRANSCRIPT REQUEST- CURRENT STUDENTS:** Students must complete an official Western Wayne **TRANSCRIPT REQUEST** form giving permission to send the student's transcript and test scores. Applications are not considered complete without your transcript. **TRANSCRIPT REQUEST** forms are available on the Western Wayne website (under guidance) or on the opening page under Guidance Resources.

## TRANSCRIPT REQUEST FORMS

## Keystone Commitment:

Keystone College recognizes that many students and parents have concerns about the loans they may need to finance their college degree. So, we want students to be free to pursue the career of their choice without student loans standing in their way.

The Keystone Commitment (Loan Repayment Assistance Program) is our pledge, offered to all full-time freshmen pursuing a baccalaureate degree. *Once they are employed full-time after graduation, if they earn less than \$40,000 per year, we will help repay their student (and parent PLUS) loans.* This will continue on until they are making \$40,000 per year.

Western Wayne High School's Student Assistance Program is again offering support groups in the following areas: GRIEF, DIVORCE, ALCOHOL & DRUG EDUCATION, SELF ESTEEM, TOBACCO CESSATION, HEALTHY RELATIONSHIPS, STUDY SKILLS, and ANGER MANAGEMENT. Most support groups run on an eight-week cycle and are offered during the school day. Trained faculty and community agency personnel are available to facilitate the groups.

One group is the Drug and Alcohol Insight Group, which offers students an opportunity to get information you may not have and to talk about drugs and alcohol in a confidential setting. This is not for students who are already dependent, although there is certainly help for those who are interested in stopping their use and we encourage you to talk to us if you are interested in getting that help. Another group is the Concerned Persons Group for students concerned about or affected by the chemical dependency of family members. For detailed information, please call the guidance office and speak to a guidance counselor (800-321-9973)

Students will get to experience what UTI classes are like and see if this is a career path that would be a good fit for them. We also encourage their parents to come along and get to see what this industry is all about. We do tend to see a handful of students reach out to us this time of year that have not made a decision yet. Here are the details:
