Applying for Civil Service Jobs

The following steps describe the basic process required to apply for civil service employment.

Review the General Job Opportunities section the PA State Civil Service Commission www.spsc.state.pa.us website. This listing is updated daily and lists test announcements of jobs that are open for application and deadline dates for submitting an application.

Complete a civil service application for employment www.spsc.state.pa.us for each test announcement for which you are interested. The test announcement may specify what other documents to submit with the application (e.g. college transcripts, application supplements, etc.).

After applying online for some job titles, you will be automatically directed to select a date, time and location to take your civil service test. For other job titles, you will be notified, when you can select a date, time and location for testing. If you complete a paper application, you will be notified by letter of your scheduled date, time, and location for testing. If the test consists of a rating of your training and experience, your test score will be based on the information you provide on your application and supplement if required.

The Commission will send you the results of your examination or rating. If you meet the minimum requirements and pass the test, your name is placed on the list of eligible candidates (eligible list) for that job title according to your score. Positions in the merit system are filled from this pool of eligible candidates.

College Applications

What is early action? Early action is the early admission program in which applying early will get you an early answer. This program usually asks students to apply by November 1 and the college responds with a decision by mid-December. However, you are not required to make your decision until the regular May reply date, giving you time to compare financial aid packages between colleges. Early action is non-binding, which means you do not have to attend the college if you are accepted. The advantage of the early action program is that you find out whether you are accepted sooner rather than later, giving you time to enjoy the last few months of your senior year without having to worry about being accepted into college.

What is early decision? Early decision is similar to early action in that you can apply early (usually by November 1) and get an early answer from your college about acceptance (usually around mid-December). However, with early decision, there is a catch. Early decision plans are binding. This means that if you apply to a college via the early decision process, you must attend that college if accepted and offered an adequate financial aid package. Thus, you can only apply to **one** early decision school. You can, however, apply to other colleges under regular admission. If you are accepted by your early decision college, then you must withdraw all other applications. Keep in mind that early decision may not be your best option if you want to compare financial aid packages between colleges. Early decision colleges usually offer students a better chance of admission if they apply early. When you research schools with the early decision option, check out the acceptance rates for students who apply early decision versus regular admission. The early decision acceptance rates are usually higher.

Have you heard of 4 or more?

Have you heard about [4 or More™](#)? It is a College Board initiative designed to inspire, assist, and reward you as you encourage all students to apply to at least four colleges.

Over 5,000 of your counseling colleagues nationwide have already joined the movement and are benefiting from the tools and resources they have received.

Why should students apply to four or more colleges?

Studies show that students who apply to two colleges, rather than just one, are 40 percent more likely to enroll in college, and applying to four colleges increases the likelihood that the college they choose will be a good fit for them — academically, socially, and financially.
