Career Spotlight

Financial Advisor

Brief Job Description

Financial advisors meet with clients and counsel them on their finances. This could mean sitting down and creating budgets, firming up retirement plans or giving advice about investing. Financial advisors can also invest a client's funds and meet with them regularly to discuss their investments. Some are also licensed to sell insurance.

Education

Financial advisors usually start their career journey with a Bachelor's degree. Financial advisors often study finance, accounting or another business-related major to prepare for this job, but you can choose from a broad range of degrees. The Certified Financial Planner Certification Examination is required to become a CFP – a distinction that looks good to employers and clients. You'll need a bachelor's degree and you must meet other education and work experience requirements to take the exam. Many financial advisors pursue a master's degree. Areas of study may include finance or business administration.

More Info

Financial Advisors made a median salary of \$94,170 in 2021. The best-paid 25% made \$158,890 that year, while the lowest-paid 25% made \$61,200.

The Bureau of Labor Statistics projects 15.4% employment growth for financial advisors between 2021 and 2031. In that period, an estimated 50,900 jobs should open up.

The path for how to become a financial advisor requires time investment in your education and in developing your business skills. Those who like to communicate with people, enjoy money management and are strategic problem solvers will definitely feel comfortable in this profession. Although it is a stressful industry because you have to take care of other people's money, it brings with it a fast-paced and rewarding environment.

CLEP

Shorten Your Path to a College Degree. **Western Wayne High School is an ONLINE TESTING SITE for CLEP!!!!** **What is CLEP?** CLEP (College Level Examination Program) is the most widely accepted faster **credit-by-examination program** in the United States today, helping students of all ages earn college degrees faster by getting credit for what they already know. By receiving a satisfactory score, you can earn from **3 to 12 college credits** toward your college degree for each CLEP you take, depending on the exam subject. **SAVE TIME.** Get college credit for what you already know. Be rewarded for what you've learned through independent study, advanced high school courses, noncredit adult courses, or professional development. CLEP offers 33 examinations in five subject areas. The tests cover material usually taught in a two-year degree program or in the first two years of a four-year program. Exams contain mainly multiple-choice questions. College Composition and a few other exams contain other types of questions and essays. For a complete list of CLEP tests and to schedule a testing time please see Mr. Fitzsimmons in the school counseling office.

College Applications

What is **Early Action**?

Early action is the early admission program in which applying early will get you an early answer. This program usually asks students to apply by November 1 and the college responds with a decision by mid-December. However, you are not required to make your decision until the regular May reply date, giving you time to compare financial aid packages between colleges. Early action is non-binding, which means you do not have to attend the college if you are accepted. The advantage of the early action program is that you find out whether you are accepted sooner rather than later, giving you time to enjoy the last few months of your senior year without having to worry about being accepted into college.

What is **Early Decision**?

Early decision is similar to early action in that you can apply early (usually by November 1) and get an early answer from your college about acceptance (usually around mid-December). However, with early decision, there is a catch. Early decision plans are binding. This means that if you apply to a college via the early decision process, you must attend that college if accepted and offered an adequate financial aid package. Thus, you can only apply to **one** early decision school. You can, however, apply to other colleges under regular admission. If you are accepted by your early decision college, then you must withdraw all other applications. Keep in mind that early decision may not be your best option if you want to compare financial aid packages between colleges. Early decision colleges usually offer students a better chance of admission if they apply early. When you research schools with the early decision option, check out the acceptance rates for students who apply early decision versus regular admission. The early decision acceptance rates are usually higher.

Have you heard of 4 or more?

Have you heard about [4 or More™](#)? It is a College Board initiative designed to inspire, assist, and reward you as you encourage all students to apply to at least four colleges. Over 5,000 of your counseling colleagues nationwide have already joined the movement and are benefiting from the tools and resources they have received.

Why should students apply to four or more colleges?

Studies show that students who apply to two colleges, rather than just one, are 40 percent more likely to enroll in college, and applying to four colleges increases the likelihood that the college they choose will be a good fit for them — academically, socially, and financially.

Western Wayne's Procedures for Submitting College Applications

1. Students applying to a college directly **online** should notify their school counselor.
2. Some college/universities will waive the applications fee if you visit their campus. Other colleges/universities have free online college applications. Students having financial difficulties covering the application fee should see their guidance counselor.
3. **TRANSCRIPT REQUEST- CURRENT STUDENTS:** Students must complete an official Western Wayne **TRANSCRIPT REQUEST** form giving permission to send the student's transcript and test scores. Applications are not considered complete without your transcript. **TRANSCRIPT REQUEST** forms are available on the Western Wayne website (under Guidance) or on the opening page under Guidance Resources.

TRANSCRIPT REQUEST FORMS

- 1) **Western Wayne Website**
- 2) **Click on DEPARTMENTS**
- 3) **Click on Guidance**
- 4) **Click on TRANSCRIPT REQUEST FORM**
- 5) **Complete the form**

The first request you make is **FREE**. All subsequent requests are **\$5.00**. Bring the check, money order, or cash into Mrs. Sgarlata in the guidance office. Your transcript will be sent certified. Please allow one week to process transcript requests! **PLAN AHEAD**.

4. **TRANSCRIPT REQUEST- FORMER STUDENTS** Please follow the instructions above. In addition, if YOU ARE A PREVIOUS STUDENT, a letter requesting the transcript must be submitted with your signature. The letter can be attached electronically with this request or sent to the Western Wayne Guidance Department, 1970A Easton Turnpike, Lake Ariel, PA 18436. The request will not be processed until the letter is received.
5. Your transcript includes your SAT and ACT scores. Check to make sure guidance has your most up to date scores. A few colleges require that you have your SAT/ACT sent directly from the College Board/ACT program (Penn State is one). It is your responsibility to have the scores sent. Questions...see your guidance counselor.
6. Fee waivers are available for most colleges if you received a fee waiver for the SAT or ACT. See your guidance counselor for an application fee waiver. If you are paying an application fee by check or money order, please bring it to guidance and we will attach it to your transcript. Most colleges allow you to pay by credit card when you complete

your application online. Checks and money orders must be made out to the college you are applying to. DO NOT pay for college application fees with cash!

7. Students requesting Counselor Letters of Recommendation must request the letter at least **TWO WEEKS** in advance.
8. In most instances **Early Decision** applications should be submitted around November 1st. This can vary so watch your dates! Regular Decision applications should be submitted as soon as possible. If you are uncertain about application deadlines see your guidance counselor.
9. **Mid-year grades** will be sent to colleges that require them. It is the student's responsibility to notify the guidance office about sending out midyear grades.
10. Final transcripts will be sent to the college that the student will attend. **FINAL TRANSCRIPT REQUESTS** will be given to seniors at the end of the school year. *Remember, college admissions representatives review all senior year grades very carefully.*

**Students and parents are encouraged to contact their
School Counselor with any questions or concerns.**

At Pitt, you will find countless opportunities to do college your way, starting with your official campus visit. We have a variety of in-person and virtual program options to answer your questions and help you discover why Pitt could be a good fit for you. No matter which university program type you choose, you will have the opportunity to experience what it feels like to be a Pitt Panther as a new student.

Schedule a visit: <https://admissions.pitt.edu/visit/schedule/>

We are excited to share that we are accepting applications from current high school sophomores and juniors for our [Iacocca Global Entrepreneurship Intensive](#) (IGEI)! This program will be hosted on Lehigh's campus from **June 25 – July 22, 2023** in Bethlehem, Pennsylvania.

Your students can join a group of emerging leaders from across the U.S. and around the world to create diverse teams and solve a real problem facing a company or organization. Through the entrepreneurship intensive, they'll be able to do a dive deep into focus areas like sustainability, population health or business.

The curriculum is led by faculty from across the university and throughout the worldwide Iacocca Institute network. It also includes contributions from and collaboration with Lehigh's Baker Institute for Entrepreneurship, Creativity & Innovation, the Lehigh@NasdaqCenter and the Mountaintop Initiative.

For more information and to apply, visit go.lehigh.edu/igei

The early decision deadline for this program is February 19, 2023. After that date, we will admit qualified applicants on a rolling basis until the program maximum is reached.

You are invited to ask your students to submit an application to this one-week, on-campus program that introduces a diverse population of students from different ethnic and social backgrounds to the traditional fields of engineering, including Chemical, Civil and Environmental, Computer and Electrical, and Mechanical Engineering. Students also will be introduced to unique aspects of Villanova's College of Engineering, which include international service learning, Sustainable Engineering and Engineering Entrepreneurship. Lectures and hands-on laboratory experiments are taught by Villanova engineering faculty, and daily guest speakers will bridge academia and industry.

In addition to this introduction to engineering, the NovaEdge program includes a presentation on the college admissions process.

Program Details:

- The 2023 Program Dates are July 8 – July 15.
- Participants stay on campus during this one-week summer program.
- Open to rising sophomores, juniors and senior high school students.
- The program cost is \$775 that includes room and board and can be paid in full once the student is selected into the program.
- Registration is not complete until required forms are received.
- If your student is selected, a deposit will be due to secure your student's spot in the program.
- Find more information and the application link on the [NovaEdge Program Information](#) site.
- If you have questions, contact Dr. Stephen Jones at s.jones@villanova.edu.

Scholars

Marywood University is offering two new exciting opportunities for students interested in dual enrollment programs.

Beginning this summer, Marywood's Momentum dual enrollment program is offering all courses at a newly reduced rate of \$95 per credit. This includes summer, fall, and spring semester courses.

Marywood is also awarding a fully paid scholarship for one summer course to seven students enrolled in the Momentum program. Students will only be responsible for the \$80 registration fee and books. This summer course will be offered June 12 through July 15, 2023. Many summer courses are conveniently offered online.

This scholarship is only available for public school students and will be offered to the first seven students who [apply](#) and qualify. In order to qualify, students must be a rising junior or senior in high school and have a 3.0 GPA or higher.

For more information, please contact Eddie Perry, Senior Admissions Counselor at edperry@marywood.edu or 570-348-6234, extension 2498.

Marywood's Momentum program provides qualified high school students with the opportunity to earn college credits while completing requirements for high school graduation. Students choose from a wide variety of courses during the summer, fall, and spring semesters. Dual enrollment courses use the same curriculum, assessments, and instructional materials as other college-level courses.

- Earn college credits
- Save money on tuition
- Gain advanced standing in college through transfer of credits
- Use credits to fulfill high school graduation requirements
- Experience academic challenges

IS A CAREER AS AN ORIENTATION & MOBILITY SPECIALIST RIGHT FOR YOU?

WHAT IS AN ORIENTATION & MOBILITY SPECIALIST (O&M)?

An O&M Specialist is a trained expert who specializes in working with individuals who are blind, have low vision, or who have visual limitations. An O&M Specialist assists individuals in achieving their life goals for education, employment, hobbies, and independence.

IF YOU HAD A CAREER AS AN O&M SPECIALIST, WHERE COULD YOU WORK?

You might work in a school, a home, or in the community.

IN A SCHOOL, you would:

- Teach students to travel safely and independently using strategies such as tactile map and long cane skills.
- Collaborate with professionals (for example, occupational and physical therapists) and family members to structure the environment to promote safe and independent travel.
- Assist students with recreational and physical education activities to promote inclusion with peers.

IN A HOME, you would:

- Motivate students to engage in purposeful movement to explore their environment.
- Help a family create routines that promote safe and independent exploration of a student's home environment.
- Co-create plans with families for independent travel across the home, school, and community.

IN THE COMMUNITY, you would:

- Assist a student in exploring a variety of modes of transportation, such as a bus or a train.
- Show a student how to use a smart phone, magnifier, telescope, or other technology to navigate public places, such as restaurants and grocery stores.
- Teach a student to cross busy streets to get to an after-school job or a friend's house.
- Help a student locate places and things in their environment, such as the bus stop or the coffee shop.

YOU MIGHT ENJOY THIS WORK IF YOU LIKE TO:

- Connect with others
- Explore new environments
- Build confidence in others
- Solve problems creatively
- Teach people to be as independent as possible
- Stay physically active. O&M Specialists are always on the move!

VOICES FROM THE FIELD: MEET A CERTIFIED O&M SPECIALIST (COMS)

“Every day, I get to engage in creative problem-solving in constantly changing environments. This ultimately leads to student independence.”

IS A CAREER AS A TEACHER OF STUDENTS WITH VISUAL IMPAIRMENTS RIGHT FOR YOU?

WHAT IS A TEACHER OF STUDENTS WITH VISUAL IMPAIRMENTS (TVI)?

A TVI is an expert who teaches students to explore the world by learning how to interpret what they hear, feel, and smell. A TVI works with educational teams to enhance students' learning by adapting activities and materials. They also interact with community services in support of students and their families.

WHERE COULD YOU WORK AS A TVI?

You might work in a school, a home, or in the community.

IN A SCHOOL, you would teach students to:

- Read and write braille.
- Use technology, such as a magnifier or laptop, to access classroom materials.
- Scan a bulletin board to locate important information, such as vocabulary words and schedules.
- Roleplay conversational skills to help them talk with friends.
- Interpret tactile maps and graphs.
- Advocate for their needs and accommodations.

IN A HOME, you would assist students with:

- Identifying sounds in their environment to know what is happening around them.
- Increasing literacy skills by adapting books for the student and the family to read.
- Improving independent living skills, such as how to organize clothing and prepare meals.

IN THE COMMUNITY, you would provide students with:

- Opportunities for recreational activities with peers, such as playing basketball with a friend.
- Access to after-school activities, such as robotics and swimming.
- Guidance on career options and suggestions for possible employment opportunities.
- Assistance in locating places and things in their environment, such as their school campus or a coffee shop.

YOU MIGHT ENJOY THIS CAREER FIELD IF YOU LIKE TO:

- Work with individuals of varying abilities and ages
- Work one-on-one with children
- Explore and use the latest technologies
- Collaborate with others
- Build close relationships with children and their families
- Travel to new places and have a variety of experiences from day-to-day

VOICES FROM THE FIELD: MEET A CERTIFIED TVI

“ [Students who are blind] can do tons of things...and it's amazing when you see them actually do those things. To think you had the smallest piece in that is just incredible. It's a great feeling. ”

HOW TO BECOME A TVI IN PENNSYLVANIA:

The two most common pathways to becoming a TVI include:

OPTION 1 — Pursue a Bachelor of Science degree in Special Education/Visual Impairment through Kutztown University. Kutztown is the only PA university to focus specifically on preparing teachers of the visually impaired.

OPTION 2 — First, earn a Bachelor of Science degree in Education/Special Education from a college or university. Then, enroll in a graduate and certification program in Blindness and Visual Impairment through either Salus University or the University of Pittsburgh.

Grants and scholarships are often available for students interested in pursuing TVI certification.

Getting Started Camp Cadet

Camp Cadet is a summer camp for boys and girls from Pennsylvania between the ages of thirteen to fifteen. The camp is held at various locations throughout the State and staffed by Troopers, local police officer's and many other volunteers. The goal of Camp Cadet is to introduce participants to the diverse criminal justice system and establish a positive relationship with law enforcement personnel.

Camp Cadet is open to all youth and is structured similar to training at the police academy. All participants who attend camp cadet are addressed as “Cadet” during the week. Cadets are required to participate in all scheduled events. The camp focuses on discipline, self-esteem, teamwork, drug and alcohol education, violence prevention and many other issues facing today’s youth.

Troop R (Lackawanna, Pike, Susquehanna, Wayne Counties)
Camp Cadet will be held **Sunday July 23, 2023 until Friday July 28, 2023.**

Please refer to our "[FAQ's Frequently Asked Questions](#)" Page before emailing or calling us as most all questions can be answered through this website. Thank You

The Camp Cadet Call of Honor is read to the Cadets when they first arrive at camp. As cadets, they are asked to memorize the Call of Honor during their week long stay. When they successfully repeat the Call of Honor by memory

to an instructor, they will then repeat the Call of Honor as a group at their graduation ceremony.

GUARD SCHOLARSHIPS

The high price of tuition doesn't have to stand in the way of a great education. The Army National Guard provides financial assistance to students who wish to attend college and enlist in the Guard, with two major scholarships for full-time students: the Dedicated Army National Guard (DEDNG) scholarship and the Guaranteed Reserve Forces Duty (GRFD) contract.

To receive one of these scholarships, you must be involved in the Simultaneous Membership Program (SMP) with a National Guard unit while in school and have a letter of acceptance from a local Guard unit stating that they will accept you in an SMP status. Following graduation, cadets begin a new Military Service Obligation (MSO) contract and serve eight years in the Guard, which includes training.

DEDICATED ARMY NATIONAL GUARD (DEDNG) SCHOLARSHIP

The DEDNG scholarship is available for up to four years but does not allow simultaneous use with the Chapter 1606/MGIB-SR or Chapter 1607/REAP GI Bills. Recipients receive full tuition or full room and board (flat rate of \$10,000 per year), plus up to \$1,200 for books, and are paid a monthly stipend of \$420 for 10 months each year. In addition to a monthly allowance, they can also receive the drill pay of a sergeant, approximately \$319 per month, when they participate in the SMP.

GUARANTEED RESERVE FORCES DUTY (GRFD) SCHOLARSHIP

The GRFD scholarship is mainly for students entering their junior year of college. GRFD scholarships are available for up to two years and allow simultaneous use with the Chapter 1606/MGIB-SR or Chapter 1607/REAP GI Bills. GRFD recipients (dedicated or not) can choose either full tuition and fees or room and board (flat rate of \$10,000 per year) and receive \$1,200 for books. They are given an ROTC allowance for 10 months of the year at \$420 per month. As a member of the Guard, they will also receive drill pay.

If eligible for Chapter 1606 Montgomery GI Bill (MGIB), the student may qualify for an additional \$350 per month MGIB SMP kicker.

MINUTEMAN (MM) SCHOLARSHIP

Minuteman Scholarships can be either two-year GRFD scholarships or DEDNG-GRFD scholarships that cover up to four years. They guarantee that Cadets who commission as Army officers will serve in the Guard. A Minuteman Scholarship requires a nomination letter as part of the scholarship packet and offers either full tuition and mandatory fees or a room and board flat rate of \$10,000 per year, covering up to four years (or eight semesters) of benefits. Minuteman Scholarship recipients also receive a \$1,200 annual book allowance and a monthly stipend of \$420 for 10 months of the academic year. Minuteman Scholarship Cadets must participate in the SMP while attending college, so they will also receive pay for attending a drill one weekend per month and a two-week annual training in a local Guard unit. In return for these scholarship benefits, a Minuteman Cadet will serve as a Commissioned Officer in the Guard in a drilling status for eight years after graduation.

Minuteman Scholarship Cadets can be nominated from any State Adjutant General (TAG) or any Civilian Aid to the Secretary of the Army (CASA) in lengths of two years, up to four years, for a scholarship. These scholarships are limited each year, and applications require a nomination memo with a handwritten signature from the nomination source. For more specific information and to learn how to apply, follow this link: <https://www.cadetcommand.army.mil/arng.aspx>

REQUIREMENTS

In order to qualify for these scholarships, you must:

- Be a U.S. citizen
- Be accepted to a college/university with an ROTC program
- Have a 2.5 cumulative GPA and maintain a 2.0
- As an incoming freshman, have a minimum 19 ACT or 1000 SAT to qualify for the four-year Minuteman Scholarship
- Be under 31 years of age for the entire year of commissioning
- Be a full-time student
- Complete the ROTC Basic Course requirements or Basic Combat Training
- Be medically and morally qualified
