

Dear Parents/Guardians:

On Wednesday, May 13th, 2026, at 6:00 p.m. the Guidance Department will be conducting **Junior Information Night** in the LGI. The purpose of this evening is to inform parents/guardians about: selecting a college/trade school/training program, college cost, the college admissions process, registration and deadlines for the SAT/ACT, general financial aid information, Maia, SmartFutures, military and job opportunities and other important information.

This time in your student's academic career is extremely significant to their life after high school. We strongly encourage you and your student to attend together.

If you have any questions prior to the **Junior Information Night**, please contact 1-800-321-9973 and ask to speak to your student's school counselor.
